**Creation of an Additional Bench to hear Co-operative cases in the Karnataka Appellate Tribunal, Bangalore Sanction accorded—**

READ :—

Letter No. KAT. EST. CR 67/78 dated 19th August 1978 from the Chairman, Karnataka Appellate Tribunal, Bangalore.

PREAMBLE :—

The Chairman, Karnataka Appellate Tribunal, Bangalore in his letter dated 19th August 1978 reported that the receipts outnumber the disposals every month. Inspite of satisfactory rate of disposal by the existing Bench the cases pending as on 1st August 1977 was 1537 and as on 1st January 1979 is 1794. Hence the Tribunal will not be in a position to keep pace with the receipts There will be a back log of cases every month and accumulation of Co-operative cases.

The question of creation of an Additional Bench has been examined in great detail and it has been decided to create an Additional Bench for dealing exclusively Co-operative Cases and to reduce the pendency.

ORDER NO. RD 36 RTA 78, BANGALORE, DATED 14TH MAY 1979.

After careful consideration, the Government pleased to accord sanction for the creation of an Additional Bench for Co-operative Cases in the Karnataka Appellate Tribunal, consisting of a District Judge-Member in the Scale of Rs 2000-2500 and Co-operation Member of the rank of a Joint Registrar fo Co-operative Societies in the Scale of Rs. 1525-2000 for a period of one year in the first instance.

## PLANNING SECRETARIAT

**Advance Planning for full utilisation of power that may be generated in the state during 1979-83 and thereafter—constitution of working group for—**

PREAMBLE :—

The Sixth Five Year Plan attaches the highest priority to Irrigation and power so as to ensure the growth of State's economy at above 7-7½ per cent with certain structural charges. For the power sector Rs. 680 crores or 27 per cent of the total outlay has been proposed with the prime objective to make the State self-sufficient apart from imparting stability to the power system by having an appropriate mix of the different sources of State. At present, Karnataka has an installed capacity of 65 MW per million population as against 134 MW in Punjab and 123 MW in Haryana. The target for installed capacity in the 1978-83 draft plan is to achieve at least 2300 MW from the current level of 1115 MW. By 1988 this may have to go up to even 4000 MW.

The Central Electricity Authority and the Karnataka Electricity Board estimate that even if the state achieve the targets now set for the installed capacity by 1983 and even thereafter the state is likely to experience a deficit ranging even upto 25 per cent or even more.
